

# Megadeth, Super Collider

When you feel, life is bringing you down  
And you see that you're all alone  
When your friends, they have all run out  
That is when you will...

On the high road (on the high road)  
I will take you higher (I will take you higher)  
Till the world explodes (till the world explodes)  
Just like a super collider (like a super collider)

This could be, all the heaven you see  
Life can be wicked, mean and cold  
Could this be, the end of your living hell  
Come with me and I'll free your soul, huh!

On the high road (on the high road)  
I will take you higher (I will take you higher)  
Till the world explodes (till the world explodes)  
Just like a super collider (like a super collider)

Just one thing that I want you to know  
You don't need to be on your own  
No more feeling like...  
Take my hand and I'll take you home

On the high road (on the high road)  
I will take you higher (I will take you higher)  
Till the world explodes (till the world explodes)  
Just like a super collider (like a super collider)
