

Megadeth, Trust (instrumental)

Lost in a dream
Nothing's what it seems
Searching my head
For the words that you said

Tears filled my eyes (eyes)
As we said our last goodbyes
This sad scene replays
Of you walking away

My body aches from mistakes
Betrayed by lust
We lied to each other so much
That in nothing we trust

Time and again
She repeats let's be friends
I smile and say yes
Another truth bent
I must confess

I try to let go, but I know
We'll never end 'till we're dust
We lied to each other again (but I wish I could trust)
But I wish I could trust

My body aches from mistakes
Betrayed by lust
We lied to each other so much
That in nothing we trust (in nothing we trust)

God help me please, on my knees (on my knees)
Betrayed by lust (by lust)
We lied to each other so much (so much)
Now there's nothing we trust

WHISPERED:
"How could this be happening to me";
"I'm lying when I say 'trust me'";
"I can't believe this is true";
"Trust hurts";
"Why does trust equal suffering";
"Suffering";

My body aches from mistakes
Betrayed by lust
We lied to each other so much
That in nothing we trust (in nothing we trust)

God help me please, on my knees
Betrayed by lust
We lied to each other so much (so much)
Now there's nothing we trust (nothing we trust)

My body aches from mistakes
Betrayed by lust (by lust)
We lied to each other so much (lied to each other so much)
That in nothing we trust

God help me please (help me please), on my knees
Betrayed by lust (lust)
We lied to each other so much
Absolutely nothing we trust!
