From the H, so I wanna come down on it
Throw it back, make a nigga throw the towel on it
And I know you wanna slide in a brand new ride
All them other hoes got miles on it
From the H, so I wanna come down on it
Throw it back, make a nigga throw the towel on it
And I know you wanna slide in a brand new ride
All them other hoes got miles on it (Ayy)

[Verse 2: Megan Thee Stallion]

[Bridge: Jhené Aiko]
If you can't give me the time (Ooh)
Then, baby, you can't be mine
Got a million just like you waiting in line
Good D ain't hard to find (Oh)
Miss me with the wishy-washy in and out my life
Only In-N-Out I need is in between these thighs
It's the loyalty I like
And I'm like, "All night, if you got it, you got it"
Yeah, from L.A. so I got a lot of thug in me
It's okay, baby, you ain't gotta front with me
So, bae, when I say, give me what I need

[Chorus: Jhené Aiko & Megan Thee Stallion, Megan Thee Stallion, Jhené Aiko]
Dick and consistency (Yeah, yeah)
Boy, I know you feelin' me (I know; Yeah)
