[Intro]

What Juicy say? He be like, "Shut the fuck up"

Ah

And if the beat live, you know Lil Ju made it

[Verse 1]

Please, bitch, do not try to cap on me

Like I ain't the hottest out naturally

I go anywhere in my t-shirt and chain, ho, killin' shit casually

Like I ain't the hardest in Houston

Like bitches ain't hangin' to use me

Like niggas ain't beggin' to do me

From ballers to rappers, they bitches included, huh

Like I ain't the life of the party, hmm

Shit can't get started without me, huh

Like I ain't take over a season

The summer is Megan's, bitches ain't eatin', hmm

I bring the hood out a classy bitch

Out in Calabasas doin' ratchet shit, hmm

Thumbin' through commas, ain't worried 'bout comments, ho

I'm really havin' shit

Invite me, I'm bringin' the ghetto

I be with the ghetto, it's in me, I can't seem to let go

I'm goin' hard in this bitch, goin' hard for them kids

Doin' shit they ain't seen in the ghetto

I'm goin' hard for my mama, she knew I could do it

I pray every day just to prove it

I'm goin' hard for my granny, she want it, she have it

The hood goin' hard for Ms. Paxton, huh

Megan can't do this and that, ha

They hate to see where I'm at, hmm

They wanna put me in beef, shit

Them bitches ain't talkin' to me, huh

Southside shit forever, ho (Hey)

Get a Brisk tea from the Texaco (Huh)

Rockin' booty shorts to the corner store (Baow)

Niggas still trappin' out the Baygo, huh

[Interlude]

Haha, like, I can't even take half of you bitches seriously, like

Half of y'all don't know if y'all don't fuck with me or if you wanna fuck me, haha

Fuckin' bitches, ah

[Verse 2]

Man, I done took off, bitch, I'm outta here

I'm on a ship, outer space, I'm a rocketeer

You ain't in my league, bitch, please, you do not compare

In the rap game, but I'm really playin' Solitaire

Even if we ever had the same dick before

Don't get confused, we are not the same hoe

I don't give a fuck what he did prior to me

Only thing that matter what he did when he knew me, ayy

Look at all this blue cheese (Ah)

Spent that on my jewelry (Hey, yeah)

He know I'm the whole coupe (Hmm, hmm)

She is just a two piece (Ha, ha)

First we were just fuckin'

Now that nigga love me (Ah, ah)

You need him for support

Together, we make money (Ah)

Take the pussy out his mouth then put it back in

'Fore I walk through, niggas know I need the backend

Real hot girl, use the pussy like a weapon

Make him think he finna fuck, then never let him

Iced out, got the whole freezer on my neck  
Hoes actin' petty, but I got the new Patek  
I ain't say it first, but I'm better than the rest  
Hoes throwin' shots, but I stay with the vest  
Hoes throwin' shots, but I'm duckin' like The Matrix  
I ain't seen a bitch pop shit like me yet  
Anything I ever seen you do is on the 'net  
Every bar I spit hard so the beat erect  
Hoes love to play with me until I let it eject  
Stompin' hoes out in some shoes they ain't seen yet  
Hoes love to sneak diss, yeah, bitch, I seen it  
You ain't say it to me when you see me, you don't mean it, ah

[Outro]  
Real fuckin' hot girl shit  
You know, Young Tina Snow still goin' hard on a ho  
Yeah, ah
