like you say, darling,
tell me all the ways /2x

and he said
all the ways /3x
tell me all the ways
and he said
all the ways /3x
tell me all the ways

take me out dancing
don't forget romance
and it's been awhile since
I been your pricness
tell me your heart's blue when
when I;m not with you
don't be afraid, babe
c'mon, explain

if you
love me /3x
like you say, darling,
tell me all the ways /2x

and he said
all the ways /3x
tell me all the ways
and he said
all the ways /3x
tell me all the ways

the way you love me /3x

and he said
girl,. you take care of me
you are my therapy
the better half of me
say it again /2x
and he said
girl,. you take care of me
you are my therapy
the better half of me
say it again /2x

if you
love me /3x
like you say, darling,
tell me all the ways /2x

and he said
all the ways /3x
tell me all the ways

and he said
all the ways /3x
tell me all the ways
