

Meghan Trainor, Better (feat. Yo Gotti)

Only blew up in my face
Crash and burnt to pieces
You got what you want from me
I gave you what you needed
I was warned but fooled by charm
And you deserve to be alone

And I deserve better, better than you
I deserve better, better than you
I deserve better
Tell them what they already know
I deserve better
Tell them what they already know
I deserve better

I used to cry to all my friends
But they would say, "I told you"
Finally I can breathe again
The weight is off my shoulders

I was warned but fooled by charm
And you, you deserve to be alone

And I deserve better, better than you
I deserve better, better than you
I deserve better
Tell them what they already know
I deserve better
Tell them what they already know
I deserve better

[Yo Gotti:]
Let's talk about the word "deserve";
Or talk 'bout the world deserves a queen (You queen)
Let's talk about that four letter word: love
I think you deserve a king
I think you deserve the world and everything in it
And I try to go get it to show you I meant it when I
Tell you I'm sorry, tomorrow I promise that I
Try to better, I'll do whatever for mine
And I ain't tryna be your friend's friends
Or your quote unquote fake friend, that's why I hate friends
I'd rather see you land to see you cry
I'd rather see you lead and tell a lie
And you ain't gotta say it, you deserve better

And I deserve better, better than you
I deserve better, better than you
I deserve better
Tell them what they already know
I deserve better
Tell them what they already know
I deserve better
