Meghan Trainor, Evil Twin

that's my evil twin that's my evil twin

it wasn't me
she started it
I said just one
then she got lit
she takes control
she's in my head
making me make my bad decisions
but I am innocent
two Tylenol for what she did
so dehydrated
that crazt bitch
I ve had enough
so over it
making me make my bad decisions
but I am innocent

I get lost in the background she the star of the show gotta deal whit her problems when she lose control I know I can't tame her io don't even try so let me apologize

that's my evil twin
no it ain't my fault
that's my evil twin
it wasn't me at all
don't be mad at me
I can';t help that she's a wold one
baby, wold one, baby

that's my evil twin that's my evil twin

I never yel, but she can scream she loves to give me anxiety she talks too much, she never quits making me make my bad decisions while I am innocent

I get lost in the background she the star of the show gotta deal whit her problems when she lose control I know I can't tame her io don't even try so let me apologize

that's my evil twin
no it ain't my fault
that's my evil twin
it wasn't me at all
don't be mad at me
I can';t help that she's a wold one
baby, wold one, baby

that's my evil twin that's my evil twin

even though she crazy

gotta Ive her cause she half of me jealous of the confidence and how she moves her body, no but she ain't always right I am talkin' about last night so let me apologize

that's my evil twin
no it ain't my fault
that's my evil twin
it wasn't me at all
don't be mad at me
I can';t help that she's a wold one
baby, wold one, baby

that's my evil twin that's my evil twin
