

# Meghan Trainor, I'll Be Home

Santa called to make sure I'm prepared  
He said winter love is spreading everywhere  
Summer came and took off with the spring  
So now we star the christmas carolines  
I'll find my way back home  
And light up every tree  
We will hang our stockings for you and one for me  
Cause Santa called to make sure I'm prepared  
He said pack your bags and tell them you'll be late

I'll be home with my love  
This christmas  
I promise, I promise  
I'll be home with my love  
This christmas  
I promise, I promise I'll be home  
I'll be home  
I'll be home

Santa called to make sure I'm prepared  
He said wrap the gifts with all your love and care  
The wind blow snow up in the sky  
But I won't let the wind to lay my flight  
I'll be home with my love  
This christmas  
I promise, I promise  
I'll be home with my love  
This christmas  
I promise, I promise I'll be home  
I'll be home  
I'll be home

Santa called to make sure I'm prepared  
He said pack your bags and tell them you'll be there

I'll be home with my love  
This christmas  
I promise, I promise  
I'll be home with my love  
This christmas  
I promise, I promise I'll be home
