

# Meghan Trainor, Sensitive (feat. Scott Hoying)

Shoo-wop, shoo-wop (Mm)  
Shoo-wop, shoo-do-do

What a waste of time, you and your excuses  
I called you a friend, but friends aren't like you  
They don't lie to my face  
They don't play all these games  
They don't act like everything's okay  
While I'm still in pain

Well, maybe I'm sensitive (I'm sensitive)  
(Shoo-wop, shoo-wop)  
Or I've had enough (Shoo-wop, shoo-wop)  
If you don't know what you did (Don't know what you did)  
(Shoo-wop, shoo-wop)  
Then you fucked this up (Shoo-wop, shoo-wop)  
Go put the blame on me  
Whatever helps you sleep  
You say I'm sensitive (I say you're)  
While I say you're (Full of it)  
(Shoo-wop, shoo-wop)  
You're full of it (Full of it)  
Full of it (Full of it)  
Oh (Shoo-do)  
I say you're (Full of it)  
Full of it (Full of it)  
Full of it (Full of it)  
Mm (Shoo-do)

Please don't go takin' my kindness for weakness  
I won't shed a tear while I watch you leavin'  
'Cause you lie ('Cause you lie), to my face (To my face)  
And you play (And you play), all your games (All your games)  
And you act like everything's okay  
While I'm still in pain

Well, fuck it, I'm sensitive (I'm sensitive)  
(Shoo-wop, shoo-wop)  
Or I've had enough (Shoo-wop, shoo-wop)  
(Shoo-wop, shoo-wop)  
If you don't know what you did (Don't know what you did)  
(Shoo-wop, shoo-wop)  
Then you fucked this up (Shoo-wop, shoo-wop)  
Go put the blame on me  
Whatever helps you sleep  
You say I'm sensitive (I say you're)  
While I say you're (Full of it)  
(Shoo-wop, shoo-wop)  
You're full of it (Full of it)  
Full of it (Full of it)  
Oh  
I say you're (Full of it)  
Full of it (Full of it)  
Full of it (Full of it)  
Oh-oh, yeah

And don't get defensive  
Like you never meant it  
Pack up your baggage  
And go, go, go, oh  
'Cause I'm good without this  
So let me be selfish  
I don't need no fake friends no more  
(I don't need no fake friends no more)

Ooh

Well, fuck it, I'm sensitive (Mm)  
Or I've had enough  
If you don't know what you did (Mm)  
Then you fucked this up  
Go put the blame on me  
Whatever helps you sleep  
You say I'm sensitive (I say you're)  
While I say you're (Full of it)  
(Shoo-wop, shoo-wop)  
You're full of it (Full of it)  
Full of it (Full of it)  
Oh-oh  
I say you're (Full of it)  
You're full of it (Full of it)  
Full of it (Full of it)  
Oh-oh
