

# Meghan Trainor, Wave (ft. Mike Sabath)

i want what i can't have  
still holding onto hope  
drowning in my tears  
this love's a sinking boat  
this love's a sinking boat

once my hands have reached the shore  
you pull me back in  
and I shouldn't beg for more  
but I don't want to end

just take me like a wave  
take me like a wave  
take me like a wave  
pull me back and forth  
crash into my arms  
tell me I am yours  
take me like a wave
