

Meghan Trainor, Wave (ft. Mike Sabath)

i want what i can't have
still holding onto hope
drowning in my tears
this love's a sinking boat
this love's a sinking boat

once my hands have reached the shore
you pull me back in
and I shouldn't beg for more
but I don't want to end

just take me like a wave
take me like a wave
take me like a wave
pull me back and forth
crash into my arms
tell me I am yours
take me like a wave
