

Melanie b, For Once In My Life

This is how I feel

I thing I gone in the dark in the shadows
Be afraid form my heart in the battle
Yesterday feel the way of the shackle
Not any more
Not any more

Turn the light
Turn the light
Turn the light on
I wanna rise
Feel the rush
I wanna free fall to the night
?Coz in the night I?m unstoppable
Unstoppable

I wanna feel
I wanna feel

For once in my life I wanna let it go
For one in my life I?m gonna do it for me
This is a time I waiting for
Don?t stop me on my the way
I not afraid
For once in my life
For once in my life
