## Melanie C, I Know Him So Well (ft. Emma Buntor

Nothing is so good it lasts eternally Perfect situations must go wrong But this has never yet prevented me From wanting far too much, for far too long

Looking back, I could have done it differently Won a few more moments, who can tell? But it took time to understand the man Now at least I know, I know him well

Wasn't it good, wasn't he fine Isn't it madness, he won't be mine But in the end, he needs A little bit more than me for security I know him so well

No one in your life is with you constantly No one is completely on your side And though I moved my world to be with him Still the gap between us is too wide

Looking back, I could've played it differently Learned about the man before I fell But I was ever so much younger then Now at least I know, I know him well

Wasn't it good, wasn't he fine Isn't it madness, he won't be mine Didn't I know, how it would go If I knew from the start Why am I falling apart

Wasn't he fine Isn't it madness, he can't be mine But in the end, he needs A little bit more than me for security I know him so well

It took some time to understand him Ooh, I know him so well
