

# Melanie C, I Want You Back

Every day, in my thoughts, you're my one obsession.  
Can't go on, need a fix, this is my confession.  
When you're not around the nights go along.  
You may be with her but with me you belong.  
I am the only one, I am the only one.

I want you back.  
Whatever you do.  
I want you back.  
I've got nothing to prove.  
I don't care what you said.  
Want you back in my bed.  
I want you back.  
I want you back.

Can't let go, guess you know now I've blown my cover.  
What I want, what I need is no other lover.  
Try to deny it but you know it's true.  
No-one can make you feel like you do.  
I am the only one.  
I am the only one.

I want you back.  
Whatever you do.  
I want you back.  
I've got nothing to prove.  
I don't care what you said.  
Want you back in my bed.  
I want you back.  
I want you back.

You can't keep running away from me.  
When something feels so right then it's meant to be.  
Like a dog with a bone I won't let go.  
Won't let go.

Try to deny it but you know it's true.  
No-one can make you feel like I do.  
I am the only one.  
I am the only one.

I want you back.  
Whatever you do.  
I want you back.  
I've got nothing to prove.  
I don't care what you said.  
Want you back in my bed.  
I want you back.  
I want you back.

I want you.  
I need you.  
I want you.  
I need you.

I want you, I need you.  
I want you, I need you.  
I want you, I need you, oooh
