

Melanie Fiona, Give It To Me Right

Okay okay he's got my number and
You can't, you can't warn me baby here I am
Either you make the time or just forget me

I'm not, I'm not tryna run your life
That's why, that's why I'm nobody's wife
But when I want, when I want it
You gotta be ready

I don't want it all the time,
But when I get it, I better be satisfied
So give it to me right,
Or don't give it to me at all

I don't think you understand
How real it is for me to find a man who thinks he can
So give it to be right or don't give it to me at all
Yeah yeaah

On time, on time I expect you to be
Oh my, oh my baby in my fantasy
You can't get it right
Then just forget it

No ways okay oor you to go around
Oh oh, today
You better make a touch down
You know what I like
Won't you except it

Uuuuh
I don't want it all the time
But when I want it
You better make me smile
So give it to me right
Or don't give it to me at all

I don't think you understand
If you can't please me I know someone who can
Give it to me right
Or don't give it to me at all

This is the real life baby
This is the life that makes me say

This is the real thing baby
When I'm alone I can make me say
Yeah yea, yea, yea, yea

I don't want it all the time,
But when I want it
You better make me smile
So give it to me right
Or don't give it to me at all

I don't think you understand
If you can't please me
I know someone who can
So give it to me right
Or don't give it to me at all

Give it to me right
Give it to me right
Give it to me right

Or don't give it to me at all

Give it to me right

Or don't give it to me at all
