

Melanie Martinez, Detention

I'm not a bad guy
so don't treat me bad
if I am feeling sad, alright?
please don't be mad if I don't smile back, alright
if I fuck up my words
don't think I am absurd, alright?
alright?

I am physically exhausted
tired of my knuckles beating
I'm chewing gum to pass this time
sadness, can't you see it
you're too busy seeking self-pleasures
look at how I am feeling
you write me up and say it's love
and I can't believe it

Baby, can you meet me tonight in detention?
I can feel your blood pressure rise, fuck this tension
Let me crawl up into your mind, did I mention?
Pretending everything's alright is detention

De-de-detention
De-de-detention
Pretending everything's alright is (shh)

The teachers don't care about me
Fuck how I feel as long as I make money
They let them do whatever they want to me
They're the customer, I'm chopped meat
I'm chopped meat

I'm physically exhausted
Tired of my knuckles beating
I'm chewing gum to pass this time of sadness
Can't you see it?
You're too busy seeking selfish wishes
Don't care how I'm feeling
You write me up and say it's love
And I can't believe it

Baby, can you meet me tonight in detention?
I can feel your blood pressure rise, fuck this tension
Let me crawl up into your mind, did I mention?
Pretending everything's alright is detention

De-de-detention
De-de-detention
Pretending everything's alright is detention

I wanna go home and you say, "Now is not the time"
Fuck being all alone in back of the classroom, ah
Start calling up my phone tryna say that I've been out of line
When all I ever asked was to go to the bathroom

Baby, can you meet me tonight in detention?
I can feel your blood pressure rise, fuck this tension
Let me crawl up into your mind, did I mention?
Pretending everything's alright is detention

Tonight, I can feel your blood pressure rise
Let me crawl up into your mind
Pretending everything's alright (is detention)
