Melanie Martinez, Lunchbox Friends

you said:

"hey, girl, will you sit whit me? table in the back of Cafeteria C? we can be friends if you want to be but only 'till the clock hits class talk lunch, we can walk to class talk about the boys that we want to smash talk about ways to get a little more cash after that I'll ignore your ass"

the hassle the fighting they all want a bite of me photos, more photos and gossip about hoes that they don't know talk shit though
