

Melanie Martinez, Pacify Her

Tired blue boy walks my way
Holding a girls hand
That basic bitch leaves finally
Now I can take her man

Someone told me stay away from things that aren't yours,
But was he yours, if he wanted me so bad?

Pacify her
She's getting on my nerves
You don't love her
Stop lying with those words
Pacify her,
she's getting on my nerves
You don't love her
Stop lying with those words
words, words, words

I can't stand her whining
Where's her binky now?
And loving her seems tiring
So boy, just love me, down, down, down

Someone told me stay away from things that aren't yours,
But was he yours, if he wanted me so bad?

Pacify her,
she's getting on my nerves
You don't love her
Stop lying with those words
Pacify her,
she's getting on my nerves
You don't love her
Stop lying with those words
words, words, words

Pacify her,
she's getting on my nerves
You don't love her
Stop lying with those words

Pacify her
She's getting on my nerves
You don't love her
Stop lying with those words
Pacify her,
she's getting on my nerves
You don't love her
Stop lying with those words
words, words, words
