Melanie Martinez, Piggyback

I was three years old All I wanted was the music and My parents were doing everything they could To move away from our place working over time always While I sat up in my grandma's project building coloring

Ooh

Moved to a small town and Started to started to grow Poetry written I'm singing and dancing Ooh Photographs painting cartoons That's all I know That's all I know

I have one best friend to this very fucking day

Since we were five years old and I fucking moved away

I wish I never did cause she's the only one who sees me for who I really am instead of how many I

Ooh

Trusted too many fake people while I was still young Gave them the benefit of the doubt I was so wrong I cut them off and they came for blood cause they know They ain't getting no more

I'm so done with playing piggy back Ooh Swear to god I wished y'all all the best Ooh

You're lying your way to try and gain a piece of me when you could never come close cause I know I worked hard for my shit

Put my love in this shit

Now you're trying to kill my name for some fame

What is this

tried to help you do your shit Encouraged you to work on it

Was a good friend and you used that to your advantage

Now I'm 22 and I've had a crazy year of Isolation from all the plastic people here

I can not wait for the day I can finally move away back to New York city where the realest people re

Ooh

Spent this whole time writing away my heart and my soul The people I surround myself with have hearts filled with gold Love and empathy are things that we hold so close Trying to learn and evolve

I'm so done with playing piggy back Ooh
Swear to god I wished y'all all the best Ooh
You're lying your way to try and gain a piece of me
when you could never come close cause I know my destiny
I worked hard for my shit
Put my love in this shit
Now you're trying to kill my name for some fame
What is this
Tried to help you do your shit
Encouraged you to work on it
Was a good friend and you used that to your advantage

I'm so done with playing piggy back

Ooh

Swear to god I wished y'all all the best

Ooh

You're lying your way to try and gain a piece of me
