

Melanie Martinez, Play Date

[Verse 1]

You call me on the telephone, you feel so far away
You tell me to come over, there's some games you wanna play
I'm walking to your house, nobody's home
Just me and you and you and me alone

[Pre-Chorus]

We're just playing hide and seek
It's getting hard to breathe under the sheets with you
I don't want to play no games
I'm tired of always chasing, chasing after you

[Chorus]

I don't give a fuck about you anyways
Who ever said I give a shit about you?
You never share your toys or communicate
I guess I'm just a play date to you

[Verse 2]

Wake up in your bedroom and there's nothing left to say
When I try to talk, you're always playing board games
I wish I had monopoly over your mind
I wish I didn't care all the time

[Pre-Chorus]

We're just playing hide and seek
It's getting hard to breathe under the sheets with you
I don't want to play no games
I'm tired of always chasing, chasing after you

[Chorus]

I don't give a fuck about you anyways
Who ever said I give a shit about you?
You never share your toys or communicate
I guess I'm just a play date to you

[Bridge]

Ring around the rosie
I never know, I never know what you need
Ring around the rosie
I want to give you, want to give you what you need

[Chorus]

I don't give a fuck about you anyways
Who ever said I give a shit about you?
You never share your toys or communicate
I guess I'm just a play date to you

[Outro]

You know I give a fuck about you everyday
Guess it's time that I tell you the truth
If I share my toys, will you let me stay?
Don't want to leave this play date with you
