

Melanie Martinez, Soap

[Intro]

Guess I better wash my mouth out with soap

[Verse 1]

Think I just remembered something
I think I left the faucet running
Now my words are filling up the tub
Darling, you're just soaking in it
But I know you'll get out the minute
You notice all your fingers pruned up

[Pre-Chorus]

I'm tired of being careful, gentle
Trying to keep the water warm
Let me under your skin
Uh-oh, there it goes
I said too much, it overflowed
Why do I always spill?

[Chorus]

I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap
I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap

[Verse 2]

Think I got myself in trouble
So I fill the bath with bubbles
Then I'll put the towels all away
Should've never said the word "love";
Threw a toaster in the bathtub
I'm sick of all the games I have to play

[Pre-Chorus]

I'm tired of being careful, gentle
Trying to keep the water warm
Let me under your skin
Uh-oh, there it goes
I said too much, it overflowed
Why do I always spill?

[Chorus]

I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap
I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap

[Chorus]

I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash, wash, mouth, mouth with soap
I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap
