

# Melanie Martinez, Teacher's Pet

Caught the teacher giving his eyes to a student  
Thought, „He pretty cute” and she bit her lip back to him  
Chewing on her nails and her pens while she's dreaming of him  
And he's fucking in sin (you know he is)  
She said, „It's for all the right reasons  
Baby, don't care 'bout grades, just call me your lady  
If I pass this quiz, will you give me your babies?  
Don't call me crazy  
You love me, but you won't come save me  
You got a wife and kids, you see them daily  
Don't know why you even need me”  
Teacher's pet  
If I'm so special, why am I secret?  
Yeah, why the fuck is that?  
Do you regret  
The things we shared that I'll never forget?  
Well, do you? Tell me that  
I know I'm young, but my mind is well beyond my years  
I knew this wouldn't last, but fuck you, don't you leave me here  
Teacher's pet  
If I'm so special, why am I secret?  
She's feeling like a spider in a cage  
You liar, you were her desire  
Now she wants to light you on fire  
But fuck it, she'll still give you a call  
And a lighter when you wanna get high  
And mess around 'til you get numb  
She said „It's for all the right reasons  
Baby, don't care 'bout grades, just call me your lady  
If I pass this quiz, will you give me your babies?  
Don't call me crazy  
You love me, but you won't come save me

If I'm so special, why am I secret?  
Gimme back my money  
Didn't learn a damn thing, honey, from you  
Except how to lie and cheat while inside the sheets  
Stop calling me your bunny  
I won't hop and you don't own me  
Do you?  
I bet you think you do, well, you don't

If I'm so special, why am I secret? (Why am I? Why am I?)  
Yeah, why the fuck is that?
