

# Melissa Ferrick, Massive Blur

why does it keep coming up? you ask  
i want it to go away  
it keeps coming between us  
and i am tired of turning away  
but i'm so angry, so angry  
i am so damned scared  
don't leave me here just hold me  
talk about anything i don't care  
talk of tangents talk of tangents anyway you like  
cuz i'm just not gonna get through this baby  
it's not gonna happen tonight  
cuz it is all in the timing  
and the placement of words  
you know i can chase it, i can beat it, i know it's absurd  
i just can't face it, can't face it cuz all that i see is a massive blur.

oh yeah....yeah yeah

so it's these women, well they keep coming into my life  
and they got the same damn story, and they're linin' in mass strife  
but you see they're from a different town  
or they got a different last name  
but we got the same lonely friends and the same last name  
cuz it is all in the timing  
and the placement of words  
you know i can chase it, i can beat it, i know it's absurd  
i just can't face it, can't face it cuz all that i see is a massive blur.  
oh yeah cuz all that we see...oh all that we see...is a massive blur.

so why does it coming up? you ask  
i want it to go away  
it keeps coming between us and i am tired of turning away  
it keeps coming between us and i am tired so tired  
it keeps coming between us and i am tired  
it keeps coming between us and i am tired so tired  
it keeps coming between us and i am tired so tired  
it keeps coming between us and i am i am tired of turning away
