

Mellowdrone, Pretty Boy

I'd rather die than lie to you
so this is why i'm tellin' you
i leave today 2x
it's rather hard for me to know
i will be void wherever i go
please say something 2x
i think i found the secret word
it'll get us off and turn back turn
we'll have good time
i'll get what's mine
you shouldn't have cut me off
i was quite wooed and you might get shot
i'll be right back
you'll be right back
so leave...
