

Melvins, All At Once

You know, I don't think this is going very well.
I mean, like 10 percent of the audience wants to fight.
The other 90 percent are totally bored.
So it's like, what the fuck am I doing up here, you know.

You know when I am sitting around at home in Hollywood, usually what I'm saying to myself is how
I'm thinking how much my life sucks compared to what it would be like if I just lived in Jacksonville.
Unfortunately, I'm exiled in California.

And you guys are in this hot bed of entertainment, called Jacksonville.
So I think without any further ado, we will continue by being completely bored ourselves.

Oh, I'm so damn lonely

...AND I HATE EVERYBODY!

[x6]
And we hate everyone of you!

[x8]
FUCK YOU!

AH!

[x4]
We hate you all and want you to die

[x4]
FUCK YOU!

[x4]
We hate you all and want you to die

[x8]
Die!
