

Menswear, Piece Of Me

sex is a secondary thing doomed to come dumb and king
what's your preference? Come on now and talk some sense
do you know where to draw the line? If i seem to act unkind
sometimes i try too hard, sometimes i go to far
it's my way of showing you, you own a piece of me
it's my way of showing you, you own a piece of me
pleae don't get tired of me, or this crazy situation
try and bare along with me, have a lot of patience
maybe i will surprise you, maybe i will hurt you
sometimes i won't think straight, sometimes you'll have to compensate
it's my way of showing you, you own a piece of me
it's my way of showing you, you own a piece of me
sex is a secondary thing doomed to come dumb and king
what's your preference? Come on now and talk some sense
do you know where to draw the line? If i seem to act unkind
sometimes i try too hard, sometimes i go to far
