forgot what its like to rule my world  
she got me and she got me good  
i dont even wanna hang around my boys

i used to say im not that kinda guy  
i dont do love, dont waste my time  
but lately all that's on my mind  
is when i'm back with her

[CHORUS:]

with her, with her  
and everywhere i hear her words  
every corner i seem to turn  
i can't hide from this love  
oh oh, oh oh, ??  
oh oh, oh oh, beating of my heart and i can feel it  
oh oh, oh oh, going round and round like an echo  
echo, echo, echo, echo, echo

i say i can manage just right along

cause lately all that's on my mind

and everywhere i hear her words  
every corner i seem to turn  
i can't hide from this love
