

# Mercy Drive, Randy Orton - Take What's Mine

Hey, nothing you can say (say), nothing's gonna change what you've done to me  
Now it's time to shine (shine), I'm gonna take what's mine  
Take what's mine

Hey, nothing you can say (say), nothing's gonna change what you've done to me  
Now it's time to shine (shine), I'm gonna take what's mine  
You're gonna burn in my light

They tried so hard to follow, but no-one cared  
Inside you're all so hollow, you understand

Hey, nothing you can say (say), nothing gonna change what you've done to me  
Now it's time to shine (shine), I'm gonna take what's mine  
While you're burning inside my light

I gave and you take  
And I waited for you but I made a mistake  
It's clear that you're fearing so near me  
'Cause I see the look on you're face

You tried to hold me under, I held my breath  
Alone and now you wonder, what I possess

Hey, nothing you can say (say), nothing's gonna change what you've done to me  
Now it's time to shine (shine), you're gonna burn in my light  
Hey, nothing you can say, nothing's gonna change what you've done to me  
Now it's time to shine, I'm gonna take what's mine  
While you're burning inside my light.
