

# Merle Haggard, Natural High

You stayed with me thru thick and thin  
You watched me lose, you watched me win  
You picked me up off of the ground  
You never one time let me down  
And you put me on a natural high  
And I can fly, I can fly  
I was drowning in a sea of make-believe  
As helpless as a falling leave  
You gave your hand to me that day  
And you did it, 'cause you're made that way  
And you put me on a natural high  
And I can fly, I can fly  
You always seem to let your feelings show  
You love me and you let me know  
Darling just remember these three words  
I love you, I love you, I love you  
And you put me on a natural high  
And I can fly, I can fly  
And you put me on a natural high  
And I can fly, I can fly
