

Meryl Streek, False Apologies

False apologies, blood all over the Bible.

All I keep hearing is false apologies.

Like it meant nothing at all.

False apologies, and what a time to be alive and speak the truth.

The church are a bunch of crooks unlike me and you.

Just give it to me Straight!

And you've shed more blood than John Rambo.

Covered up by the state.

False apologies. Covered up the state.

The silence is crippling.

False apologies like it's nothing at all.

Hang your head and say your own prayers.

Bon Secour Bonjour

I'm just saying what needs to be said, the silence is crippling.

And it's ok to believe in something but don't preach this shit to me, it makes me sick to live, False a

Dodging billets like John Rambo and not following your own rules like you taught me to do.

Don't play this album and go and say your prayers see if I care.

Breaking your own F***** rules

Thou shall not kill!

Bon Secour Bonjour

False Apologies like it was nothing at all,

800 in a mass grave says it all

These victims had names and if I had a brother I'd like to know about it!

The silence is crippling, there's more blood on the Bible than anything we speak.

Don't play this album and see if I give a ***t.

You make me sick.
