## Metallica, Bad Seed

(Hetfield / Ulrich / Hammett)

Come clean, fess up Tell all, spill gut Off the veil, stand revealed Show the cards, bring it on, break the seal

Ladies and gentlemen, step right up And see the man who told the truth

Swing the noose again
Pierce the apple skin
You bit more than you need
Now you're choking on
the bad seed
On the bad seed
Choking

Let on, load off Confess, cast off At the mercy, the cat is out Drop the disguise, spit it up, spit it out

And now, what you've all been waiting for I give you He Who Suffers the Truth

Swing the noose again Pierce the apple skin You bit more than you need Now you're choking on the bad seed Choking on the bad seed

Off the veil, stand revealed Bring it on, break the seal At the mercy, cat is out Spit it up, spit it out Spit it up, spit it out Spit it out now

At the mercy

Swing the noose again Pierce the apple skin You bit more than you need Choking on the seed

Swing the noose again
Pierce the apple skin
You bit more than you need
You're choking on the bad seed

Off the veil, stand revealed Bring it on, break the seal At the mercy, cat is out Spit it up, spit it out Spit it up, spit it out Spit it out now Choking on the bad seed
