

Metallica, Crash Course In Brain Surgery

(Shelly / Bourge / Phillips)

Look inside and you will see
The words are cutting deep inside my brain
Thunder burnin' quickly burning
Knife of words is driving me insane, insane yeah

Raven black is on my track
He shows me how to neutralize the knife
Show to me in surgery
The art of fighting words to conquer life, conquer life yeah

Now the wicked lance of fear
Is driven from my heady mountain brain
Crash course in brain surgery
Has stopped the bloody knife of words again yeah, yeah, yeah
