

Metallica, Fight Fire With Fire

(Hetfield / Ulrich / Burton)

Do unto others as they have done unto you
But what in the hell is this world coming to?
Blow the universe into nothingness
Nuclear warfare shall lay us to rest

[Chorus:]

Fight fire with fire
Ending is near
Fight fire with fire
Bursting with fear
We shall die

Time is like a fuse, short and burning fast
Armageddon is here, like said in the past
chorus:
Soon to fill our lungs the hot winds of death
The gods are laughing, so take your last breath

[Chorus]
