

# Metallica, Fight Fire With Fire

(Hetfield / Ulrich / Burton)

Do unto others as they have done unto you  
But what in the hell is this world coming to?  
Blow the universe into nothingness  
Nuclear warfare shall lay us to rest

[Chorus:]

Fight fire with fire  
Ending is near  
Fight fire with fire  
Bursting with fear  
We shall die

Time is like a fuse, short and burning fast  
Armageddon is here, like said in the past  
chorus:  
Soon to fill our lungs the hot winds of death  
The gods are laughing, so take your last breath

[Chorus]
