Metallica, Here Comes Reveng

Little grief I'm grieving, I will mend you Sweet revenge I'm dreaming, I will end you I've been here since dawn of time Countless hatreds built my shrine I was born in anger's flame He was Abel, I was Cain I am here, hell unbound Burn your kingdom to the ground To the ground

Here comes revenge, just for you Revenge, you can't undo Revenge, is killing me Revenge, set me free Eye for an eye, tooth for a tooth A life for a life, It's my burden of proof Revenge, just for you Revenge You ask forgiveness, I give you sweet revenge

I return this nightmare, I will find you Sleepless, cloaked in despair, I'm behind you

Man has made me oh so strong Blurring lines of right and wrong Far too late for frail amends Now it's come to sweet revenge Desperate hands That lose control Have no mercy on your soul On your soul

Here comes revenge, just for you Revenge, you can't undo Revenge, is killing me Revenge, set me free Eye for an eye, tooth for a tooth A life for a life, It's my burden of proof Revenge, just for you Revenge You ask forgiveness, I give you sweet revenge /2x

Sweet revenge
