--- (Last Caress) ---

I've got somethin' to say I killed your baby today and it Doesn't matter much to me As long as it's dead

I've got somethin' to say I raped your mother today and it Doesn't matter much to me As long as she's dead

Chorus:

These lovely dead I'm waiting for your breath 'Cause sweet Death wants Last Caress.

Repeat verse 1 Repeat chorus 2 times

One Last Caress today, Ohhh Ohhh Ohhh (repeat)

--- (Green Hell) ---

Here in this place lies the key to your death Touch it, see it Here in this place is the means to your end

You did your best as someone could I bet you never knew you would Did you run away from it? I bet you

We're gonna burn in hell Green Hell Green Hell Like every hell but kind of green Green Hell Green Hell

You did your best as someone could I bet you never knew you would And did you run away from me?

Here in this place lies the key to your death Touch it, see it Here in this place sister won't let it in Touch it

You did your best as someone could I bet you'd never knew you would Did you run away from it? I bet you
