Metallica, Minus Human

Don't you leave me Father Time

Take me with you

Tell me does your sun still shine

Come squeeze the world and drip it down my throat...oh yeah

Down my throat again....woooah

You got to breathe man, breathe!

Coming up for Air

Breathe man, breathe!

Coming up for Air

Touch me so I think I'm here

Skin my senses

Barely breathing

Minus Human

Please squeeze the world and drip it down my throat again

Down my throat again....woooah

You got to breathe man, breathe!

Coming up for Air

Breathe man, breathe!

Coming up for Air

You got to breathe man, breathe!

Coming up for Air

Breathe man, breathe!

Coming up for!
