

Metallica, Moth Into Flame

Blacked out
Pop queen, amphetamine
The screams crashed into silence

Tapped out
Doused in the gasoline
The high times going timeless

Decadence
Death of the innocence
The pathway starts to spiral

Infamy
All for publicity
Destruction going viral

Light it up
Ah, light it up
Another hit erases all the pain
Bulletproof
Ah, kill the truth
You're falling, but you think you're flying high
High again

Sold your soul
Built a higher wall
Yesterday
Now you're thrown away

Same rise and fall
Who cares at all?
Seduced by fame
A moth into the flame

Twisted
Backstabbing wicked
The delusion absolution

Perjurer
Fame is the murderer
Seduce you into ruin

Light it up
Ah, light it up
Another hit erases all the pain
Bulletproof
Ah, tell the truth
You're falling, but you think you're flying high
High again

Sold your soul
Built the higher wall
Yesterday
Now you're thrown away

Same rise and fall
Who cares at all?
Seduced by fame
A moth into the flame
Burn

Guarantee your name, you go and kill yourself
The vultures feast around you still
Overdose on shame and insecurity

If one won't do that fistful will

Death scene
Black hearse the limousine
A grave filled with seduction

Vaccine
Fame does the murdering
She builds up for destruction

So light it up
Ah, light it up
Another hit erases all the pain
Bulletproof
Ah, no excuse
You're falling, but you think you're flying high
High again

Sold your soul
Built the higher wall
Yesterday
Now you're thrown away

Same rise and fall
Who cares at all?
Seduced by fame
A moth into the flame

Addicted to the
