Metallica, No Remorse

(James Hetfield / Lars Ulrich)

No mercy for what we are doing No thought to even what we have done We don't need to feel the sorrow No remorse for the helpless one

War without end No remorse No repent We don't care what it meant Another day Another death Another sorrow Another breath No remorse No repent We don't care what it meant Another day Another death Another sorrow Another breath

Blood feeds the war machine as it eats its way across the land We don't need the feel the sorrow No remorse is the one command

War without end No remorse No repent We don't care what it meant Another day Another death Another sorrow Another breath No remorse No repent We don't care what it meant Another day Another death Another sorrow Another breath

Only the strong survive No one to save the weaker race We are ready to kill all comers Like a loaded gun right at your face

War without end No remorse No repent We don't care what it meant Another day Another death Another sorrow Another breath No remorse No repent We don't care what it meant Another day Another death Another sorrow Another breath

Another sorrow Another breath Attack Bullets are flying People are dying with madness surrounding all hell's breaking loose Soldiers are hounding Bodies are mounting cannons are shouting to take their abuse With war machines going Blood starts to flowing No mercy given to anyone hear The furious fighting Swords are like lighting It all becomes frightening to you Know death is near No remorse
