## Metallica, Nothing Else Matters

(Hetfield / Ulrich)

So close no matter how far Couldn't be much more from the heart Forever trusting who we are And nothing else matters

Never opened myself this way Life is ours, we live it our way All these words I don't just say And nothing else matters

Trust I seek and I find in you Every day for us something new Open mind for a different view And nothing else matters

Never cared for what they do Never cared for what they know But I know

So close no matter how far It couldn't be much more from the heart Forever trusting who we are And nothing else matters

Never cared for what they do Never cared for what they know But I know

I never opened myself this way Life is ours, we live it our way All these words I don't just say And nothing else matters

Trust I seek and I find in you Every day for us something new Open mind for a different view And nothing else matters

Never cared for what they say Never cared for games they play Never cared for what they do Never cared for what they know And I know

So close no matter how far Couldn't be much more from the heart Forever trusting who we are No, nothing else matters
