

# Metallica, Purify (St. Anger Cd)

Tear it down  
Strip the layers off  
My turpentine  
Old paint, old looks  
Cover up the past  
White heat, White light  
Super white bones  
Bones of you and I  
Purify if I... Can't you help me?  
Purify if I... Won't you help me?  
Purify you and I  
Purify you and I  
Purify if I... Can't you help me?  
Purify if I... Won't you help me?  
You and I purify  
Truth and dare  
Peeling back the skin  
Acid wash  
Ghost white  
Ultra clean  
Wanna be skeleton  
Clear eyes  
Diamond eyes  
Strip the past of mine  
My sweet turpentine  
I can find dirt on anything  
I can find dirt on anything  
I ain't dancing with your skeletons  
I ain't dancing with that might have been
