

# Metallica, Saint Anger

St. Anger round my neck  
St. Anger round my neck  
He never gets respect  
St. Anger round my neck  
(Its rushing out, Its rushing out)  
St. Anger round my neck  
(It's rushing out, It's rushing out)  
He never gets respect  
(It's rushing out, It's rushing out)  
St. Anger round my neck  
(It's rushing out, It's rushing out)  
He never gets respect

[Chorus:]

Fuck it all and no regrets  
I hit the lights on these dark sets  
I need a voice to let myself  
To let myself go free  
Fuck it all and fuck regrets  
I hit the lights on these dark sets  
Medallion noose I hang myself  
St. Anger round my neck  
I feel my world shake  
I can't look away  
Hard to see clear  
Is it me

Or is it fear?

I'm madly in anger with you [2x]

St. Anger round my neck  
St. Anger round my neck  
He never gets respect  
St. Anger round my neck  
(Its rushing out, Its rushing out)  
St. Anger round my neck  
(It's rushing out, It's rushing out)  
He never gets respect  
(It's rushing out, It's rushing out)  
St. Anger round my neck  
(It's rushing out, It's rushing out)  
He never gets respect

[Chorus]

I feel my world shake  
I can't look away  
Hard to see clear  
Is it me

Or is it fear?

I'm madly in anger with you [4x]

I want my anger to be healthy  
I want my anger just for me  
I need my anger not to control  
I want my anger to be me  
I need set my anger free  
I need to set my anger free  
Set it free!

[Chorus]

I feel my world shake  
I can't look away  
Hard to see clear  
Is it me

Or is it fear?

I'm madly in anger with you [4x]
