

Metallica, Slither

(Hetfield / Ulrich / Hammett)

Don't go looking for snakes, you might find them
Don't send your eyes to the sun, you might blind them
Haven't I seen you here before?

Watch the puppets dancing
See the clowns fall down
Tie your tap shoes tightly
And wear them into town

See you crawlin'
See you crawlin' in

Don't go looking for snakes, you might find them
Don't send your eyes to the sun, you might blind them
Haven't I seen you here before?
There ain't no heroes here, no, no more

Play the game so nicely
Check, it's your move now
We're standing in this jungle
With serpents I have found

See you crawlin'
See you crawlin' in

Don't go looking for snakes, you might find them
Don't send your eyes to the sun, you might blind them
Haven't I seen you here before?
Have your heroes disappeared?

See you crawlin'
See you crawlin' in

So don't go looking for snakes, you might find them
Don't send your eyes to the sun, you might blind them
Haven't I seen you here before?
No, there ain't no heroes here, no

Haven't I seen you here before?
No there ain't no heroes here

Don't go looking for snakes, you might find them
Haven't I seen you here before?
Have your heroes disappeared?
Don't send your eyes to the sun, you might blind them
