

# Metallica, Whiplash

(James Hetfield / Lars Ulrich)

Late at night all systems go  
You have come to see the show  
We do our best You're the rest  
You make it real you know  
There is a feeling deep inside  
That drives you fuckin' mad  
A feeling of a hammerhead  
You need it oh so bad

Adrenaline starts to flow  
You're thrashing all around  
Acting like a maniac  
Whiplash

Bang your head against the stage  
Like you never did before  
Make it ring Make it bleed  
Make it really sore  
In a frenzied madness  
with your leather and your spikes  
Heads are bobbing all around  
It is hot as hell tonight

Adrenaline starts to flow  
You're thrashing all around  
Acting like a maniac  
Whiplash

Here on the stage the Marshal noise  
is piercing through your ears  
It kicks your ass kick your face  
Exploding feeling nears  
Now is the time to let it rip  
To let it fuckin' loose  
We are gathered here to im and kill  
Cause this is what we choose

Adrenaline starts to flow  
You're thrashing all around  
Acting like a maniac  
Whiplash

The show is through the metal is gone  
It is time to hit the road  
Another town Another gig  
Again we will explode  
Hotel rooms and motorways  
Life out here is raw  
But we will never stop  
We will never quit  
cause we are Metallica

Adrenaline starts to flow  
You're thrashing all around  
Acting like a maniac  
Whiplash
