

# Metalsteel, This Is Your Revelation

Gastronomic perversion  
Extreme substance abuse  
Experimental consumption  
Too exotic to choose

Suicidal intensions  
Obscure fundamental acts  
Megalomaniac frustrations  
Versus skeptical facts

This is your revelation – it's a result of your consumption  
This is your revelation – your deviant emancipation

Drink the Devil's potion  
It might broaden your mind  
Enjoy the hallucination  
It's gonna change your life

Inhale the nature's blessings  
Consume the fruit of god  
Release your inner tension  
Defrost your heathen heart

This is your revelation – it's a result of your consumption  
This is your revelation – your deviant emancipation
