

Metro Station, True To Me

She turned me on, but now I'm shaking
She shoots it in, and I keep taking

They don't see
She's down with me tonight
It's time to push off

She's such a rush
She's such a crush
She's one in a million
She's such a rush
Can't get enough
She's pumping through my veins
She's too fun to be so gone with me
Too good to be true, to me

She's over my head, she's all I need
I'm so strung out, she's out of my league

They don't see
She's down with me tonight
It's time to push off

She's such a rush
She's such a crush
She's one in a million
She's such a rush
Can't get enough
She's pumping through my veins
She's too fun to be so gone with me
Too good to be true, to me

Oh, oh, she's too good to be true
I'm hooked up, when we do what we do
Can't you see, she's the sweat on the sheets?
Can't you see she's all that I need?
Can't you see she's all that I see?

She's such a rush
She's such a crush
She's one in a million
She's such a rush
Can't get enough
She's pumping through my veins
She's too fun to be so gone with me
Too good to be true, to me

Too good to be true, to me
Too good to be true, to me
