

MiC LOWRY, Oh Lord

Turn the lights out for me
Hard to hear hard to see
Oh lord

Not afraid of the trip
In a pool filled of sin
Oh lord
Oh lord

She said
Don't u run from me while I take it off
Take it off Take it off
Tell me your name while I break u off
Break u off
While I break u off
Don't u run from me while I take it off
Take it off Take it off
Tell me your name while I break u off
There's just way to many temptations
Oh lord
I can feel it coming in the air tonight * (frazz PHILLa COLLINSa)
Oh lord
When the rhythm hits I'm not afraid to die
There's just way to many temptations
Oh lord
There's just way to many temptation
Oh lord, oh lord, oh lord
There's just way to many temptation
Feel my pulse as I breathe at 100 and 3
Oh lord, oh lord
I'm not afraid of the trip
In a pool filled with sin
