

# Micah P. Hinson, The Dreams You Left Behind

Someday you'll find  
The dreams you left behind  
Are not as bright as they seem

Someday you'll see  
That loves before me  
Lasting as long as the sun

Someday you'll find  
Dreams never die  
Lasting as long as the sun  
Shining down on me

Someday you'll find  
The dreams they never die  
Lasting as long as the sun  
Shining down on me
