

Michael Bolton, Everytime

Don't wanna lose this feelin'
It's more than I need to survive
Just when I stopped believin'
That's when you came into my life

Ya turned it around, within you I found
Everything that's real to me
I'm lost inside your love
And that's just where I wanna be

CHORUS:

Everytime you give your love, it's a fire, it's a miracle
Everytime I feel your love in my life, I know it's a miracle
You've got the power, you know it
To touch my every fantasy
When we make love, you show it
In everything you give me

So take what you want, take what you will
You're the one who holds the key
To open up the door, to reach the deepest part of me

CHORUS:

Everytime you give your love, it's a fire
Everytime I feel your love in my life, I know it's a miracle
Everytime, everytime

Just when I stopped believin', girl, you stepped into my life
Ya give me the fire I needed
It was so hard to find, you're givin' it everytime

CHORUS:
