

Michael Bolton, Maybe It's The Power Of Love

When it comes to giving you the best of me
I don't know why, I don't know why
I don't even have to try
When it comes to holding true
These words I say
I look at you, one look at you
How can I turn my head away

With the sound of your voice
Like the whispering wind
Don't you know I'll be there
When you call, anytime you call

CHORUS

Maybe it's the power of love
Maybe ya can feel it when you get enough
Maybe it's the power of love
I don't know

When it comes to needing you
I call your name
And you'll be there, you'll be right there
Shining through the pouring rain
When it comes to seeing through
The fool in me, the thing I found
One thing I've found
Lover, you never let me down

When the sound of your voice
Like the whispering wind
Lets me know you'll be there
When I call, anytime I call

CHORUS
